opinion. The Dy. Comr would naturally ask the Amildar concern to make local enquiries and then furnish Govt with his views.

(2) But in the present case the Amildar of the Tiptur Taluk has been addressed directly by the Supdt of Post Offices Bangalore division and the Amildar's reply given to that Officer (also directly) shows that he is agreeable to the proposal in question.

[The Amildar ought not to have given his opinion without making a reference to Govt in the matter. He will, if appd, be called upon to explain why the matter was not referred to Govt.

As regards the proposal itself, there seems to be no other alternative than to agree to the change, as the Amildar's reply is to that effect.]

Letter No. E.C 728 dated the 23rd March 1912 from the Postmaster General, Madras Circle to the First Assistant to the Hon'ble the Resident in Mysore, Bangalore.

I have the honour to enquire whether the Hon'ble the Resident in Mysore will have any objection to the Kibbanhalli branch post office which was, for want of a suitable agent, removed to Banasandra in September last being retained there permanently and to its name being changed accordingly. The residents of Kibbanhalli will not be put to much inconvenience thereby as their letters will be delivered to them by the village postman and they can post their letters in the letter-box close to their village and transact postal business at the post office at Banasandra.

With reference to your letter No. 12649 dated 19-2-1912, requesting to be informed as to whether I nave any objection to the removal of the posty office from Kibbanhalli to Banasandra, I have the honour to state that during my recent tour in those parts, I made enquiries about the question. The ryots of Kibbanhalli, no doubt, have objection for the removal of the post offices to Banasandra, but their objections I think are not based upon any valid grounds.

I agree with you in the opinion regarding the advantages which Banasandra has for the location of the post office. It is centrally situated. It is not far off from Kibbanahalli. You also state that departmentally considered Banasandra has many advantages.

I am therefore of opinion that post office at Banasandra may be confirmed as proposed by you.
